# DOLLAR STORE

## Scavenger hunt

---

Grab a basket and open your eyes! Walk the aisles of a dollar store and search for these items. (You don't have to buy them, just be sure you put them back when the hunt is over!)

1. Want to be clean? Don't say nope. Better get a bar of \_\_\_\_\_ .
2. If you mail it, they will smile. Go and find it on an aisle.
3. Put your food on it to eat. Then you wash it. Aren't you sweet?
4. If you color, you'll need these. Finding them will be a breeze!
5. If it's dark, this you'll like. Go find one and make it bright!
6. Energy is what they provide. Seek them out, they will not hide!
7. Ah-choo! Okay, I do need you!
8. If you want the germs to be gone, this is what you'll put on.
9. Yum, yum. Let me eat! Go and find something sweet.
10. Need to write it? This will do. Go find one, hey, find two!
