CHRISTMAS

Family Conversation Starters

Christmas is a birthday celebration.
Whose birthday are we celebrating?

Why do people all over the world
celebrate Christ's birthday?

Why do we give gifts to others?

Who gave gifts to baby Jesus?

If you could give a gift
to Jesus what do you think
would please him?

What is your favorite
Christmas story?

What's the best Christmas gift
you ever got?

What is your favorite
thing to do with your family
at Christmas?

Sing part of your favorite
Christmas song.

What Christmas tradition
would like our family to
start or keep?

Is there anyone you can give to
who is really in need of a gift?

Is there anyone who serves you
that you can thank with a gift?
