Back to School

What are you most looking forward to on the first day of school?

Who have been your three favorite teachers or adults at school?

Name five things you don't ever want to have for lunch.

What class subject would you love to have seven days a week?

Do you think we can be on time to school ten days in a row?

Who would you like to have in your class?

What two things did you like most about last school year?

What are your four favorite school lunches?

Name three new things you learned last year.

Should school be eight hours long each day? Longer? Shorter? Why?

Give mom and dad ten hugs--right now!

What will be great about being in your new grade?
