

let's **TALK** about

OUR TIME BEFORE SCHOOL

What 3 things do you want to accomplish today?

What class do you think will be the most fun and why?

Who can you encourage today?

What one thing can you do better today than you did yesterday?

How many people do you think you could make smile today?

What is something special you could do for your teacher today?

What 3 things can we pray about for your day?

What class will be the hardest and why?

What was the funniest thing that happened at school yesterday?

What can you compliment people about today?

This day is going to be great because...

If you could pick today's snack would it be salty, sweet or sour?
