Exploring Nature

Exploring Nature

Where exactly did you find it?

Exploring Nature

How many colors does it have?

Exploring Nature

How does it feel?

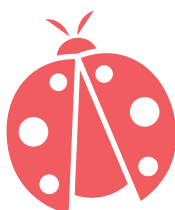

Exploring Nature

How does it smell?

Exploring Nature

Where did it come from?

Exploring Nature

What does it need to live?

Exploring Nature

Can it change shape?

Exploring Nature

Can an animal use it in any way?

Let's Talk:

Exploring Nature

Exploring Nature

Does anything like
to eat it?

Exploring Nature

What do you like
about it?

Exploring Nature

What don't you like
about it?

Exploring Nature

Of all the things you
found, which would
you like to keep?
