

Consequence Calculator

Reflect on your child's behavior in each category and select a score. Calculate the seriousness based on the highest number scored. For example, if you have a score of 4-1-1, go directly to a Major Consequence.

Frequency

How many times has the same misbehavior occurred?

One Time =	1
Two Times =	2
Three Times =	3
Four+ Times =	4

Mindset

What was the attitude when the misbehavior occurred?

Carelessness =	1
Lapse of judgement =	2
Intentional =	3
Willfully defiant =	4

Risk

How risky was the misbehavior?

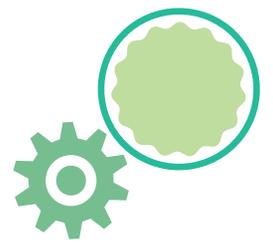

No chance of harm =	1
Chance of emotional or physical harm =	2
Emotional or physical harm occurred =	3
Harm affected many =	4
Misbehavior was illegal =	5
