

Let's Talk:  
**Money**

**Money**

What do you think is a lot of money?

**Money**

If you had to pay your own bills, how much money do you need to live for one month?

**Money**

What happens when you spend more money than you have?

**Money**

What is credit?

**Money**

What is debt?

**Money**

When people spend money, what should they spend it on first?

**Money**

Why should people give some of their money away to help others?

**Money**

What should you do if you want something but don't have enough money to get it?

*Let's Talk:*  
**Money**

**Money**

How have you seen people waste money?

**Money**

How do you think money can be misused?

**Money**

Is there one thing you would really like to buy and how long do you think it would take to save for it?

**Money**

Would you rather have \$100 or spend the day doing whatever you want? Why?
