## SCAVENGER HUNT

Grab a basket and open your eyes! Walk the aisles of a dollar store and search for these items (You don't have to buy them, just be sure you put them back when the hunt is over).

- Want to be clean? Don't say nope. Better get a bar of \_\_\_\_\_.
- If you mail it, they will smile. Go and find it on an aisle.
- Put your food on it to eat. Then you wash it. Aren't you sweet?
- If you color, you'll need these. Finding them will be a breeze!
- If it's dark, this you'll like. Go find one and make it bright!
- Energy is what they provide. Seek them out, they will not hide!
- Ah-choo! Okay, do I need you!
- If you want the germs to be gone, this is what you'll put on.
- Yum, yum. Let me eat! Go and find something sweet.
- Need to write it? This will do. Go find one, hey, find two!
