

BIRTHDAY

SCAVENGER HUNT

Hooray! It's your birthday.
This isn't a test.
The first stop on this hunt
is the spot where you rest.

What's the best thing about you?
I need a second to think.
While you wait for my answer,
go where coins go clink, clink.

The day you were born
is one of my favorite dates.
Find your next clue
where we clean all the plates

You really are great.
You just can't be beat!
The next stop on this hunt
is where you slide in your feet.

Having you in my life
makes me complete.
Quick! Look under the spot
where you sit to eat.

I bought you a gift
You thought I forgot?
The last stop on this hunt
is where food becomes hot.

On to the next clue!
Don't take a long while.
It's waiting in the spot
where you whiten your smile.

HAPPY BIRTHDAY!
